

Logline : A funny soul exchange between the witch's cat and the chef.

Synopsis : A witch who owns a restaurant in order to make delicious food that can attract customers. While intently watching the Chef being awarded on TV, she was creating a new recipe for the magic soup. Without knowing her cat had tasted the unfinished magic soup, the soul of the Cat and the Chef had exchanged. The Witch and the Chef Cat tried different recipes to find a way to exchange the souls back. The Witch and the Chef Cat got a conflict about the recipe and the Chef Cat accidentally drops into the pot of boiling magic soup with the correct ingredient. By chance, they exchanged back.

Yourong, Yuyang, Pat and Sena are all studying 2D animation in London College of Communications. Their collaborative animation talks about a witch that love's experimenting new things and an accident happened because of her cat. They want to bring laughter and humour to the audiences with this piece.
